**For safety and accident prevention purposes, the Exhibitor DECLARES THAT:**

**ELECTRICAL INSTALLATIONS** (please note that failure to comply with the standards may result in the penalties set out in Article 15 - Ministerial Decree 37/2008)

- 1) the electrical systems and components to be installed in its stand are designed in accordance with the applicable CEI standards and Ministerial Decree 37 of 22 January 2008 as amended;
- 2) the machines and equipment installed on its stand comply with MACHINE DIRECTIVE 2006/42/EC;
- 3) when requesting the electrical connection, it shall deliver a copy of the "STATEMENT OF COMPLIANCE OF THE INSTALLATION WITH THE BEST WORKING PRACTICES" (Ann. I, Ministerial Decree 37 of 22 January 2008);
- 4) lastly, it declares that the electrical installation will be carried out by a company with the technical/professional requisites and registered with the Chamber of Commerce and/or Register of Crafts Companies and qualified to install civil and industrial electrical systems.

**If the electrical installation is carried out by an Italian company, the company itself must complete the form "Statement of Compliance of the Installation with the Best Working Practices".**

**If the electrical system is carried out by a foreign company, the exhibitor must submit to the Heritage Area of the Nuova Fiera del Levante the Electrical System Project certified by a qualified technician in compliance with IEC-CENELEC-CEI standards, with all charges to be borne by the Exhibitor.**

**NON-COMPLIANCE WITH SAFETY REGULATIONS MAY LEAD TO A REPORT TO THE JUDICIAL AUTHORITIES.**

Exhibitors are obliged to keep a 6 kg powder fire extinguisher for fire class A-B-C, approved in accordance with Ministerial Decree of 20/12/82, in a barycentre position, in view and ready for use, inside the stand.

The Exhibitor releases Nuova Fiera del Levante, the Organiser and third parties in any way involved in the Exhibition from any and all liability, formally waiving any recourse and/or claim against Nuova Fiera del Levante, the Organiser and such third parties for any damage that may be caused to persons and third party property, especially as regards *the Electrical system*.
